Ma Wan Park :

A Comprehensive Tourism and Cultural Destination

Ma Wan Park is a non-profit community facility developed in two phases, covering 1.6 million square feet.

The first phase includes Noah's Ark Hong Kong, a theme park, and its connected Noah's Ark Hotel & Resort. It also features the Nature Garden, a themed green park; the Solar Tower, featuring one of the largest civilian vacuum solar telescopes; and the Solar Villas Resort, set amid lush natural scenery.

The second phase of the project, Ma Wan 1868, provides a diverse mix of cultural and creative studios, workshops, art retail outlets, restaurants, and the Ma Wan 1868 Resort — a distinctive art-island community and micro-vacation destination.
